

Risk & Controls Accountant (Permanent Position)

Location: Leopardstown, Dublin 18

Company Background

Ayvens Insurance is part of the Ayvens group, a leading provider in mobility services worldwide with 3.3 million vehicles under management. Euro Insurances DAC (trading as Ayvens Insurance) offers fleet insurance solutions to Ayvens operating entities worldwide.

The Ayvens brand was launched in 2023, following the merger of ALD and LeasePlan leasing groups to create a market leader in mobility. Ayvens Insurance incorporates legacy insurance books from the ALD and LeasePlan groups.

Ayvens Insurance is part of the Societe Generale Group.

Job Purpose

Ayvens Insurance seeking a detail-oriented **Risk & Controls Accountant** to join its finance team. The role will report to the **Head of Finance Operations**.

The ideal candidate will have a strong accounting background, experience in compliance or financial controls, and a good understanding of the regulatory environment within the insurance industry.

Responsibilities will include but are not limited to:

- Responsibility for monitoring and reporting of risks and controls within the finance team
- Assist in the documentation, testing and improvement of financial and operational controls in line with regulatory, group and company requirements
- Perform periodic risk assessments and contribute to control enhancements
- Assist in the preparation of regulatory returns and financial reporting compliance reviews
- Collaborate with internal and external auditors to provide necessary documentation and responses.
- Assist in drafting and maintaining of policies related to governance, risk and compliance
- Keep up to date of changes to the regulatory and compliance standards
- Work with finance, actuarial, risk and IT teams to enhance systems and processes and improve compliance efficiency
- Design and implement of training programmes for finance staff
- Collaborate with stakeholders in the Ayvens and Societe Generale Groups as required
- Tracking and monitoring of operational and financial risk incidents and risk metrics
- Ad-hoc duties within the finance team

Knowledge /Skills

- Qualified Accountant (ACA/ACCA/CIMA)
- Experience working with risk and control frameworks within a regulated environment
- Understanding of the regulatory environment within the insurance industry
- Attention to detail with a desire to continually improve
- Self-starter and comfortable in a fast-paced environment

- Advanced Microsoft Office user, with familiarity of reporting and visualisation tools (e.g. Power BI)
- Ability to work to tight deadlines and prioritise tasks
- Team player that interacts well with both team members and other stakeholders
- Strong communication and a collaborative mindset

Ayvens Insurance is an equal opportunities employer.
