

New vehicle order lead-times

If you are ordering a new vehicle, it couldn't be easier...

This document contains lead-time information to help you on your way to order your new vehicle.

New vehicle lead-times provide the average amount of time from point of order with the dealer to the time you'll receive your vehicle.

Lead-times provided are averages and subject to change at any time due to demand or manufacturer changes, but we'll do our best to keep you informed.

Most vehicles are built to order by manufacturers to meet customer specifications, this takes a little time including shipping and this is called the 'lead-time for delivery'.
